Dear Parents and Students!

Hello! It is my prayer that your summer has been restful, eventful, fun and long enough! It always seems to catch me off guard how quickly the summer goes by. As most of you know, we have continued to stay very busy at school. We have had summer school and have been preparing our school for your arrival! Throughout the summer I have had the privilege of interviewing and hiring new teachers for our growing campus. I am thankful for the wonderful new staff that love the Lord and desire to serve the students and families at Clovis Christian Schools. Throughout this search however, I have not yet found a perfect fit for fifth grade. For this reason, I will; once again, have the privilege and fun of teaching fifth grade. Fifth grade is such an exciting and critical time academically, emotionally and spiritually. Students are critical thinkers, engaged learners and ready to take their learning to higher levels.

I truly love the fifth- grade curriculum and the learning journey we will be on as a class this year. In order to balance and provide full devotion to the needs of fifth grade and balance the role of principal; I will have a teaching assistant. I will be using Class DoJo for communication; however my cell phone is always available as well!

Mrs. Bonjorni☺

Here is a list of supplies I would love to have students bring for class:

1. Labeled water bottle (we will refill in class if needed)
2. Bible (we will be memorizing NKJV)
3. Pencils (Mechanical are fine; however I really like “old fashioned” #2 pencils)
4. 1 Pack Glue Sticks
5. 2 Black Sharpies
6. 1 Pack Colored Pencils
7. 1 Ruler with Inches and Centimeters
8. 2 Composition Notebooks
9. 2 Two pocket folders (color and design are your choice)
10. 1 Personal Package of Expo Markers
11. 1 Big Gigantic Enormous Willing to Try Smile☺
